

Algebra- Mr. Bristow
Class Expectations
2017-2018

Algebra is a high school level course, so you will be expected to take more responsibility than most middle school classes. This includes keeping track of homework assignments and studying for tests.

You are expected to...

- Be in your seat everyday, when the bell rings, ready to work
- Treat everyone and everything in the classroom with respect
- Wait until dismissal to pack up and leave the classroom
- Come to class everyday prepared and ready to learn

Algebra Required Materials-please bring the following to class every day:

- Your math binder
- Notebook/Copy paper, Graph paper
- Writing Utensils: Pencil, eraser, colored pencils and highlighters
- Charged devices

Grading System:

- 40% Daily Assignments (homework/classwork/participation)
- 60% Assessments (Tests/Quizzes/Projects)

Google Classroom:

- All students are expected to join our class.
- There will be notes and assignments uploaded, along with videos. (Upload content will vary from unit to unit)

Policies & Procedures:

I want you to feel comfortable and confident in our classroom. This will help you know what the expectations are and what actions you should take in our class.

Classroom Policies

- **Be Respectful** (Every individual in our classroom deserves respect, including you.)
- **Be Responsible** (You are responsible for your words, your actions, your attitude, your daily supplies and your work.)
- **Be Ready** (When the tardy bell rings, you need to be in your seat, with your materials ready, working on our warm up.

Entering the Classroom

- Read the board for instructions
- You'll need your binder, a pencil and a calculator
- Have completed assignment on your desk

Arriving Tardy: If you are not in your seat, with your materials when the bell rings, you are considered tardy. Students who are tardy will receive a lunch detention.

Turning in Absent and Late Work

- Students are responsible for gathering missing assignments, which may be found in Google Classroom.
- Upon completing the assignment, student will grade the assignment
